

## **PROBATION /PAROLE OPTIONS FOR STUDENTS**

If you are on probation or parole, the following are the three options available for reporting:

1. If monthly in-person visits to P.O. are required, then your case must be transferred to the local county jurisdiction for the Adult & Teen Challenge campus where you are applying.
2. Adult & Teen Challenge can send monthly progress reports to out-of county/state P.O.
3. A monthly phone call may be made by the student to report to out-of-county/state P.O.

**The #2 option is the preferred choice whenever possible**
